## MISSIONS COMMITTEE

Good news from the Missions Committee

Recently, Constellation, an Exelon company, approved a Community Champions \$500.00 grant application submitted by the Missions Committee on behalf of Center for Hope Outreach Programs in Bloomington. Center for Hope is preparing to launch their "Second Helping Educational Workshops" which will benefit many people in the community. This \$500 grant will support this new initiative.

## CELL PHONE COLLECTION

Mid Central Community Action is collecting cell phones for the Neville House. The donated cell phones will be used as part of the 9-1-1 Safety Plan and/or recycled to provide financial support for the services at Neville House. We have a collection box at the Welcome Center for the used cell phones.

## CENTER FOR HOPE FOOD PANTRY

We are in need of macaroni, spaghetti and boxed potatoes. Thank you for your ongoing support of this important community mission. Please bring your donations to the west entrance of the church.
